

Rodrigo Ibarra, MBA, DEA

Fellow Member of the Institut des Actuaire,
France
President of the Ecuadorian Actuarial
Association

Rodrigo is the CEO of Actuaría Consultores, a consulting firm based in Ecuador founded in 1986, who was correspondent of Mercer in Ecuador during the period 1993 - 2008. Actuaría is the leading company in its industry in Ecuador with more than 6,000 clients offering services in pension design, actuarial valuation, reserves, pricing, and assessment for insurance companies. Actuaría is signatory of the United Nations Sustainable Development Goals Agreement and obtained a recognition for its compromise within women's rights equity in 2019.

Rodrigo is an active member of international committees in reference to the actuarial field progression path. Over a period of six years, Rodrigo was a member of the Board of the Pension, Benefit and Social Security – PBSS Section of the International Actuarial Association – IAA. He currently serves as supervisor of the examination center of the Society of Actuaries - SoA in Ecuador.

Rodrigo is considered a pioneer for the actuarial profession in Ecuador. He was elected President of the Ecuadorian Actuarial Association in 2017.

Rodrigo supplements his consulting carrier by being Professor of Finance, Insurance and Actuarial Science at the Universidad San Francisco de Quito – USFQ, the leading university in Ecuador according to the QS World University Rankings.

Rodrigo graduated with highest honor from the National Polytechnical School of Ecuador with Bachelor of Science degree in Mathematics. He has an MBA diploma of the Universidad San Francisco de Quito – USFQ and a M.Sc. in Actuarial Statistics of the Sorbonne Université of Paris, France.

He is a Certified Actuary (Fellow) of the Institut des Actuaire of France.

Rodrigo has also served on the Board of Directors of the American Chamber of Commerce in Ecuador – Amcham. He currently is a member of the Subcommittee for Latin American Education of the IAA.

Topics of expertise include sustainability of the social security and valuations of Ecuadorian Social Security, Armed Forces and Police Department.

Complete proficiency in Spanish, English, and French.
